

Xtreme Trips - Traveler's Insurance Options for 2011

For your safety, Xtreme Trips offers three levels of Traveler Protection Insurance in the event of illness or injury before or during the trip, lost or stolen baggage, flight delays or cancellations, family emergencies, or cancellation for any reason (depending on coverage). In the event that one of these may occur, Xtreme wants you to be protected!

Our Basic Plan covers **Pre Trip** occurrences such as delay, cancellation, illness and injury. Our Standard Plan covers **Both Pre Trip and During Trip** occurrences as well as enhanced medical emergency coverage. Our highest level of protection covers everything within the Standard Plan and allows you to cancel your trip 48 hours in advanced for ANY REASON! All travelers are highly recommended to choose one level of protection for their trip.

Standard Insurance Plans are added for all our travelers at the time of booking. You may upgrade, downgrade, or remove your coverage after booking your trip by emailing Xtreme Trips at info@XtremeTrips.com or calling our office at (954) 563-7112.
